

# Summary of Services

Our Payroll, FSA, HRA, Commuter, and COBRA are all directly linked to Employee Navigator.

**PAYROLL** – our fully integrated payroll solution is the best product on the market. You can start in either EN or our payroll system as the system of record. Our payroll integrates fully with time and attendance, QuickBooks Online and our Recruitment and Tax Credit system. **For EN Brokers only:** We'll waive the set-up fee for your first payroll and you will get our no minimum fee pricing. We also cater to customers that do their own in-house payroll where they can just subscribe to our system.

easyFSA  
easyHRA FSA  
Medical FSA

Automatically adjudicate debit card claims.

Automatically file claims for employees.

Gives the employee a central repository to store all claims.

Gives the employee one system to view historical claims to make decisions for elections for upcoming years.

COBRA &  
State  
Continuation

We keep you in compliance

We send you a monthly check for all premiums received during the month along with detailed monthly reports of all COBRA activity.

We take care of required notices, forms to participants, and communicate COBRA elections and terminations to plan carriers.

Compliance  
Services

ERISA Wrap Document POP  
HIPAA 5500  
Comprehensive Compliance Package

The best part about this is it all links to the Employee Navigator product that you are already using! Just choose BBP and your information will be linked with Employee Navigator's dynamic system
